

KILSBY 2019

Minutes of the Annual Parish Meeting held on Tuesday 21st May 2019 at 7.00pm in Kilsby Village Hall

Under the Chairmanship of
Councillor Jenny Fisher, Chairman of Kilsby Parish Council

Present: Chairman – Jenny Fisher; 20 members of the Parish. Clerk – Clare Valentine
District Councillor C Lomax.

1. Welcome from Chair of the Meeting (Councillor J Fisher) - Report A

2. Apologies

Parish Councillors S Stainton and B Gent. Christmas Tree Committee and Neighbourhood Watch Phil Martin.

3. Confirmation of the Minutes held on 17th April 2018.

Minutes of the Annual Parish Meeting of 18th April, 2018 were taken as read and approved and signed as a correct record.

4. Matters arising

To note the Parish Council is currently advertising for three Councillor Vacancies.

There has been a slight delay with village grass cutting this month and a cut is planned.

5. Financial Statement

Chairman read a report prepared by Clerk/RFO to Kilsby Parish Council as published in the Kilsby Kronickle June-July 2019 Edition.

The Parish Council budget for this year is £46,830.00. After holding it at the same level for two years there is slight increase of £920.00 on 2018/2019. This year the Parish Council have also considered the unitary changes and how this could affect our responsibilities. As we have not yet been consulted as to how we may be affected, we have sensibly considered and allocated spend towards such things as village maintenance under a wider banner to be used within our powers. This is for tasks like weeding, entrances to the village, tree work and keeping the village smart. We have seen a reduction in some services from the local authority over the last 12 months and last summer the weeds were a particular problem in and around the village. This will hopefully help with Parish Council owned areas including the Cemetery and also the Recreation Ground. Monies have also been allocated towards Community projects and we have increased the Village Grants availability. Full Budget 2019/2020 can be found on the village website.

Last year's income (non-precept) was £10,316.77. A percentage of the total capital reserves to date has been allocated to the Kilsby Heritage Project, although an application for a Heritage Grant is being worked on currently. A total of £1062.99 was issued in village grants which includes Kilsby Brownies and Guides, the W.I. and Welcome Pack costs plus others.

6. Reports from District and County Councillors.

District Councillor Catherine Lomax - **Report B.**

7. Reports from any Village organisation that wishes to give a report on their year's activities.

Reports from Village Organisations

Reports were received from:-

The Poores Land Charity, Town Lands Charity and Moses Cowley Charity Kilsby – Mrs Janet Chappell (Report C)

Kilsby Christmas Tree Committee – Sharon King (Report D)

Kilsby Neighbourhood Watch – Phil Martin (Report E)

Kilsby Good Neighbours – John Graham and Gillian Farmer (Report F)

Kilsby WI Annual Report June 2018 – May 2019 – Karen Gilmurray (Report G)

Kilsby Kronickle – Christina Lomas (Report H)

Kilsby School Association – James Carpenter (Report I)

Kilsby Village Community Shop (Verbal report at meeting J)

Reports concluded at 19.55

The Chairman proceeded with Clive Thompson to present to the meeting attendees Kilsby Parish Council's Heritage Project. They have asked residents and groups that attended to help with the content of the history boards and to gauge what residents would like to see as the design of the boards is quite technical and has a high word count. Some organisations including the Poor Land's Charity and History Group will be sent the information to review. The Chairman thanked everyone for attending the meeting and for all the reports.

In the absence of further business the meeting closed at 20.55

Full report can be found on the website www.kilsbyvillage.co.uk

Clare Valentine – Clerk to Kilsby Parish Council. Tuesday 21st May, 2019.

REPORT Kilsby Annual Parish Meeting – 21st May 2019

Chairman's Report: Year ended 31 March 2019

Parish Council People Changes

The last 12 months have seen a lot of change in personnel for the council:

In June Clare Valentine replaced Catherine Camp as parish clerk. Clare is an experienced councillor and has been busily acquiring the legal and practical knowledge that is required for the parish clerk's role. Clare is currently undertaking a 12 month training course in order to achieve the Certificate in Local Council Administration (CiLCA). Clare has settled into her role as parish clerk and is a welcome asset for the council.

Our chairman Charles Smedley left the council at the end of September and Jenny Fisher was appointed chairman with Richard Thompson as vice chairman.

Tom Moore, Diana King, Francesca Kirtley-Paine and Liz Rochford have all left the council for various reasons – such as new employment roles; getting married and other family reasons. In their place we have welcomed Mike Margetts; Robin Nicholls and Clive Thompson but currently have three unfilled councillor vacancies.

District Council and County Council and the new Unitary Council

Our District Councillor Catherine Lomax continues to keep us well informed and supports us by attending our monthly meetings and writing in Kilsby Kronickle. Currently there is a major reorganisation due to the split of Northamptonshire County Council into two unitary councils, meaning the abolition of district councils. Daventry District Council's area along with South Northamptonshire Council and Northampton Borough Council will form the new unitary that will cover Kilsby. Catherine has advised us that parish councils are not to be directly consulted on the changes, as parish councils will remain (although clearly we will all be affected). Parliamentary approval for the change has only recently been given, which has meant that the implementation date has been put back a year to April 2021

Councillors Bob Gent and Richard Page have started to attend cluster meetings with some of the other local parish councils, where they are having discussions on how working together might benefit parish councils under the new structure.

Volunteers Supporting the Council

In early 2019 Cressida Woodcock Sweales began helping us in the role of Secretary for Kilsby Recreation Ground. David George is continuing to support us whilst we seek to acquire new park equipment via the Section 106 funds arising from the A361 development.

We continue to receive help from Helen Smedley and Chris Lomas in their roles as Burials Clerk and Kilsby Kronickle editor respectively. We thank them both for their hard work and commitment.

The Youth Club ceased in late 2018. Efforts are currently underway to get a new club up and running. Such initiatives rely on the support of the village and we would like to thank the volunteers who have recently come forward.

Thanks also go to Julie Bunyan and Tom Hindle who stepped forward for the roles of Flood Wardens. They have put together an "emergency plan" for Kilsby and recently secured a grant to help with flood prevention. The emergency plan is a risk based plan and covers more than floods. The plan can be found on the village website.

Speeding is frequently raised as an issue in the village. One of the few areas where we are able to be actively involved in speeding on a practical level, is with Speedwatch. We were therefore happy to welcome Debbie Marsh who came forward to accept the role of Speedwatch coordinator. Debbie and her team will be operating the equipment later in Kilsby in June and July 2019.

Good Neighbour Schemes operate in some villages. John Graham and Gillian Farmer are kindly giving their time to research the appropriateness of such a scheme for Kilsby.

Planning and Development

The past 12 months have been relatively quiet on the planning front with no proposals for major developments.

The houses on the A361 have all now been completed and we welcome all the new house owners to Kilsby. The Welcome Pack initiative instigated by Chris Lomas is continuing with packs provided to newcomers, preferably delivered to them by their neighbours.

Highways and the Environment

A World War 1 memorial bench was acquired and has been sited on the Ashby Road side of Devon Ox Green. Some villagers think the bench looks isolated, whilst others appreciate the panoramic view across the green. It was sited where it is, in order to satisfy the villagers who suggested the Green and those who suggested somewhere along the Ashby Rd/The Banks stretch.

The March litter pick organised by Councillor Sarah Stainton continues to be a successful community event with a positive impact on the environment.

Councillors Sarah Stainton and Tom Moore plus Janet Chappell, Chris Lomas and Victoria Devaney entered Kilsby into Northamptonshire ACRE's 'Best Village' competition. Kilsby won the 'Best Newcomer Award'. Feedback from the organisers was positive but an area identified for improvement is that Kilsby needs more facilities for young people. We are hoping that the new youth club plans will be successful and that our aspirations for the recreation park will be fulfilled.

In December 2018 areas of Kilsby were designated by Daventry District Council as Conservation Areas which has led to the adoption of supplementary planning documents that will be used to help determine planning applications.

Going Forward For 2019-2020

The village website is a useful facility for storing village documents but it could be so much more. We would like to see it as a “go to” place for what is happening in Kilsby. But to make it a more vibrant and colourful website that is kept “current” we need someone with an interest in that area, who can upload data for us. Our Facebook page can be a real time communication tool but to have a “living” website remains an aspiration.

The parish council remains interested in purchasing/renting a parcel of land that could be used as a Pocket Park. If you are the owner of such land on or near the village boundary please get in touch.

In a few minutes we will talk about the Heritage History Boards and where we are at with that project. As already stated we have vacancies for three new councillors. With the changes in the council structure as well as the fact that next year is an election year for councils, now would be a good time to join. If you are interested please contact Clare.

Finally thank you to everyone that has served on the council in the last 12 months and to all those who have supported us - it can be quite challenging at times.

Councillor Jenny Fisher, Chairman of Kilsby Parish Council 21 May 2019

REPORT B

District Councillor's Report for Kilsby Annual Parish Meeting 2019

I reported in 2018 that the most significant event of the year was the collapse of the County Council. This has continued to dominate through 2018-19. For Daventry District Council this has meant, in addition to keeping all its services and activities running as normal, a huge amount of time has been taken up by Members and officers in discussions about the future of DDC and local government in the county. Two weeks ago the Government confirmed that two new unitary authorities, will be set up. All current councils in the county will be abolished. Daventry and South Northants Districts, and Northampton Borough, will be combined to form West Northamptonshire Council. The Government's concentration on Brexit has caused significant delay to the timing, and this will now take effect in May 2021.

For the last 14 years DDC has been pursuing an ambitious regeneration programme, which involved development on 5 sites in the town. For various reasons progress has been slow overall, though some projects have come to fruition. The plan to build a commercial development, including a supermarket, at the bottom of Ashby and Braunston Roads in Daventry has been reduced. The development of a new shopping area behind the High Street has been abandoned, and now a cinema and restaurants will be built there. The long-promised new library has been re-located on the ground floor of the Abbey Centre. The canal arm scheme has been abandoned, and the likelihood of the town extension east of the country park seems as far away as ever.

As DDC has considerable reserves, unlike the other local authorities, it has been spending them in the District so that those funds, raised in our area, are not swallowed up by the new unitary. So the grants budget for voluntary organisations was doubled, and large sums have been allocated to projects such as a new building for Reach for Health, improvements to the Sports Park in Daventry, new play equipment at the Country Park.

Two significant changes in the year have been the start of the partnership with Norse for the collection of waste and grounds maintenance, and the launch of the Local Lotto scheme. The change to the so-called 1-2-3 service under Norse seems to have gone well, although inevitably there were some minor teething troubles, and there is general acceptance that it is much better overall than the former service from Amey. I am a member of the Liaison Board which meets regularly with the Norse management, and there is a willingness to listen, to co-operate, and to deal with any problems that arise.

The Local Lotto scheme was launched a year ago, and has so far raised over £26,000 for local good causes, with 803 individual winners claiming altogether £7800 in prize money for a £1 ticket, and other prizes in kind also being distributed.

I mentioned last year the Settlements and Countryside Local Plan which has been worked on for several years. This was finally submitted for inspection by a planning inspector early this year, and that public examination will take place shortly.

The Big Switch initiative has run again during the year, giving householders the chance to find a cheaper electricity tariff. The Good Neighbour Scheme has been promoted in conjunction with Northamptonshire ACRE, and a number of villages have set up initiatives. The Country Park has yet again achieved a Green Flag Award, and is still a huge attraction for people across the district, and the District has just won an award for its various environmental efforts, putting it into the top 5% in the country. The annual sports awards, recognising achievement across age groups and sports was also run again.

DDC won its bid to host the final Northamptonshire stage of the Women's Cycling Tour in June, and the event was a great success.

It isn't possible to give more than a flavour of what has been happening at DDC in the last 12 months. I have continued as a member of the Licensing Committee and of a number of working groups, including the A5 Member Partnership, a grouping of all the boroughs and counties through which the A5 passes between Cannock and Towcester. It liaises with Highways England, the Police and other agencies to discuss and resolve, where possible, the many common problems that the road causes to local communities throughout its length..

I have taken up a number of issues on behalf of individual residents and the parishes in the ward during the course of the year, and I remain ready to deal with any District Council issues you may have. A reminder of my contact details, which have changed, is below.

Catherine Lomax

District Councillor,

Kilsby Annual Parish Meeting - 21st May 2019

The Poores Land Charity, Kilsby, owns the allotments, all of which are currently let, the grazing land by the Crick Bridle Path and the land that has been planted as woodland on the A5 adjacent to the railway on the Northampton line. The charity income is derived from rent from the respective tenants and from small amounts of interest from money invested in the Charities Official Investment Fund. The trustees of the charity are responsible for the administration of this income. The original objective of the scheme was for the 'relief in need'. Nowadays this income is distributed at Christmas time to elderly residents in Kilsby but small grants of financial assistance could be made in other situations if brought to the attention of the Trustees. In December 2018 a total of £737.00 was given in benefits. At the year end the current account had a balance of £1,388.23 and the business reserve a balance of £962.03

Now that mains water has been installed at the allotments there is the additional cost of quarterly bills. A small increase in rents has been applied towards this cost as the water is available to all tenants but to date most of this cost has been met by the Charity.

In 2018 Poores Land Charity were successful in a bid for money from Grantscape. We received £500 which enabled us to fund a pedestrian gate at the Jubilee Plantation. Bob Wilson, the tenant who manages the woodland on behalf of the Charity, undertook the installation work. The Trustees hope that this will achieve the purpose of making this area a walker friendly community facility. The Charity also contributed £174 toward the purchase of additional trees. A further project that is proposed is the erection of an information board at the site to describe the flora and fauna to be found there.

Town Lands Charity

The scheme for this charity decrees that its money can only be spent in the creation and or maintenance of a playing field available to all residents of the village. The value of this fund at the year end was £12,474.80, the majority of which is invested in the Charities Official Investment Fund and the balance in a bank account. It also holds some COIF shares which produce some income. The value of the shares at that date was £4,068. Until the objective is achieved only £3 per year can be spent from this charity

Moses Cowley Charity

The assets of this charity are now so small (£1054 invested in COIF) with interest of just £3.90 that it does not have sufficient income to distribute and is therefore currently dormant. The terms of this Charity are set out on a plaque in the church and as a bequest of 1744 it is very much part of village history.

The books of all three charities have been examined by Mr J. Browne. Sadly, this year we have lost in Pam Preston one of our long standing Trustees so a new appointment will need to be made.

Fred Chappell,
CLERK & TRUSTEE
21-05-19.

Kilsby Christmas Tree Committee

Kilsby Christmas Tree Committee Report – 2018-19

The Kilsby Christmas Tree Committee have had another successful year. We held the following fundraising events:

1. Refreshments at the Produce Show
2. Halloween event
3. Strictly Come Dancing Sweepstake
4. Light switch-on event on Saturday 1st December 2018

In total from all of these events we raised £585.00. The costs involved to provide these events come to a total of £562.00.

We continue to have a lot of support for all of the events from the village and are planning the same events for this year.

The Christmas Tree Light switch-on event for this year is on **Saturday 7th December 2019.**

For further information contact Sharon King on 07508228736.

REPORT E

Kilsby Neighbourhood Watch 2019

The number of members of the village Neighbourhood Watch has declined dramatically since the system changed last year and the administration changed to now being controlled by Neighbourhood Watch itself. The police still input and there are messages nearly every day.

I no longer control the details of members and all villagers who want to become, or continue, as members have to register on-line themselves.

This is done by application to

<http://www.northantsnhw.co.uk>

and following the instructions. There is a choice to give as little or as much information each individual wishes to, mainly for statistical reasons.

Each member can then choose how much information they wish to receive, either just local or villages further afield.

I will be notified of any new enquirer, as I have to verify their identification and issue relevant stickers etc.

In this time of social media usage I am surprised that so few villagers want to receive the police circulations. For example, in the last few days there were circulations about a burglary in Barby, a caravan stolen in Crick, a quad bike stolen in another nearby village as well as thefts of, and from vehicles.

At the current time Kilsby has been relatively crime free but being aware of other local incidents as well as police circulations can help to increase vigilance.

REPORT F

KILSBY (VERY!) GOOD NEIGHBOURS

Feasibility Study coming through your door soon

For some time now we've been considering setting up a good Neighbours Group in the Village and are about to send out a feasibility study on this proposed new initiative. The study will be delivered to every home in the area and will be asking you to complete one of two things. 1) If you'd be willing to do something worthwhile in the community and can spare an hour or so a week to Volunteer to help get this new initiative up and running, and 2) If you're the sort of person who would like to become a member of the KGN Club and participate in the events on offer. We need to know both of these numbers before we can proceed further.

We estimate that out of a population of around 1600 people, about a quarter of them are retired. That's around 300 older people in Kilsby. Many of them are already involved in one or more of the groups that are active in the community and we don't wish to duplicate the good work these groups are already doing.

However, we know that some older people aren't attending other village groups as they are less able to get out and about easily without help. And there are some who are just too reticent to turn up to things of interest on their own: they'd like to go, but would feel more comfortable going with someone else initially. This is where the Volunteers would truly come in to their own by helping both these groups with transportation, befriending, etc

Our idea is initially to set up regular weekly (or monthly – depending on the interest) afternoon tea and cake sessions, often inviting expert Speakers to chat to club members on a wide variety of subjects. These subjects could be anything from how to use modern technology like mobile phones and tablets, how to save a great deal of money by changing energy suppliers, to whether you're receiving all the benefits you're entitled to.

On the Volunteer side we'd be looking for friendly, enthusiastic people to help out with transportation to and from our afternoon teas: people who are willing to 'befriend' an older person and who would encourage them to participate in what the KGN scheme has to offer them.

So when our postal survey drops through your door please consider whether you could help us with this new project – or indeed, if you'd like to become a member of the Club itself and get to know people in the village better. Complete/return the Survey by the date suggested and drop it off at the Village Shop. Or if you prefer, you can contact Gill Farmer, 8 North Street (email: gillianfarmer@icloud.com) or John Graham, 25 Rugby Road (email: johngrahamobe@btconnect.com) direct.

REPORT G

Kilsby WI Annual Report June 2018 ~ May 2019

We have 32 members.

Over the past year we have had a good variety of speakers:-

- | | |
|-------------------|--|
| Biff Raven-Hill | ~ brought alive the ethos of a wartime housewife – which still applies today. |
| Terry Penny | ~ explained the stories behind those so familiar (but misunderstood) nursery rhymes. |
| Anita Chipalkatty | ~ demonstrated Indian cookery. |
| Dr Gill White | ~ led us through the fascinating life of Mary Queen of Scots. |
| Peter Ayton | ~ explained what being a Freemason is really all about. |

Ann Simonsen ~ led us through some useful exercises and told us a little about the history of Pilates.
 Clive Fowles ~ talked to us about the project to try to reconcile people in Croatia, Serbia & Bosnia
 Wendy Potts ~ Wendy & Kevin gave us a fascinating insight into honey bees – they have 400 hives!

In June 2018 we had an excellent annual trip to Blenheim Palace near Oxford ~ a lovely house and the sun shone as well. This year we're off to Hardwick Hall in Derbyshire.

At our Christmas Party we and 61 guests had a lovely time listening to Rob Horn ~ a 'Rat Pack' style singer.

At our May resolutions meeting we voted as follows:-

| | | | | |
|--|------------|-------------|-----------------|-------------|
| Oppose the decline in rural bus services | ~ For : 14 | Against : 0 | Discretion : 4 | Abstain : 0 |
| Don't fear the smear | ~ For : 2 | Against : 0 | Discretion : 16 | Abstain : 0 |

Events

Theatre The Play That Went Wrong (Northampton)
 Entertaining Angels (Rugby)
 Kinky Boots (Northampton)

Craft Floral Painting ~ we had a wonderful teacher and we all managed to paint
 poppies

 Brusho Painting ~ what an amazing art material

 Gelli Pad Painting ~ great fun ~ we all managed to produce something we were proud of

 Christmas wreath ~ we amazed ourselves making lovely wreaths ~ led by Paula

 Willow Weaving ~ 9 of us had a very satisfying evening making a lovely willow
 wreath

Other Trips ~ Bletchley Park, Westminster Abbey

Kilsby Wellness Week ~ we held a Meet the WI event as part of this week long event

Federation Centenary Picnic ~ this was held at Althorp House and was a lovely day out

Centenary Tea Party ~ at Barby was a great afternoon ~ we all wore our posh frocks & hats

Scrabble contest ~ we came second!

 Canasta ~ we play twice a month

Lunch ~ we enjoy lunch every 2 months

Annual Mother's Day Stall ~ this was again a very popular event ~ thanks to all who supported us!
 Village Litter Pick ~ we took part in the village litter pick

Mystery walk ~ we did Rugby which was fascinating ~ in July we're doing Leicester

Hands of a Genius ~ Graham Short talked about engraving on the head of a pin

Micro biotics & Yuck.. ~ 2 fascinating talks on our Microbiome and our 'yuck' response!

Group Events ~ Barby held a traditional carol service in December, then in April we had fun as we were entertained to an 'Accordion Adventure'. We hosted an evening with Brother John of the Lord Leicester Hospital.

Get Creative

~ We organised a craft & art exhibition in conjunction with the Nationwide organisation 'Get Creative'. This encourages creativity in the community both for pleasure & mental health. The exhibition was a great success ~ thank you to all who exhibited & to all who visited.

REPORT H

KILSBY KRONICKLE

REPORT TO THE ANNUAL PARISH MEETING 21ST MAY 2019

During the year from April 2018 to the end of March 2019 we published six editions of Kilsby Kronickle – two of twenty pages, two of twenty-four pages, and two of twenty-eight pages. All these were delivered to every house in Kilsby parish, including the new estate as the houses became occupied, and a copy of the current edition has also been included in each of the Welcome Packs given to new residents. We have had to increase the number of copies printed over the year as Cildes Croft has become occupied and when the last few houses are sold there will be an additional 48 properties receiving Kronickle. The magazine is also available on the village website.

The cost of printing the magazine, at £2325.00 for the six editions, was 10% higher than in 2017-18, partly because of the additional copies needed and an increase in the rates charged by our printer, but also because we had some colour pages in the December-January edition – an innovation for us. However, the extra cost of these colour pages was passed on to the advertisers who placed the colour advertisements so no extra burden was placed on the Parish Council. Income from advertising during the year was £1399.25, a substantial increase on last year, and the net cost to the Parish Council of the production of the magazine was £925.75, plus editorial expenses of £77.14, a total of £1001.89. The budget the Parish Council had set for the year was expenditure of £2400 and income of £500 so the budgetary targets were comfortably met.

I would like to thank those who have helped me to edit the magazine during the year – Laura Treacy, Richard Linnell and David George; all those who have contributed articles, updates and photographs; our advertisers; and last but by no means least, the dedicated team of delivery volunteers, and John and Brenda Beeston who do the distribution to those deliverers. I would also, as always, like to thank the Parish Council for its support of the magazine, both financially and in other ways, and in particular the two Parish Clerks I have worked with during the year – Catherine Camp and Clare Valentine – whose help has been invaluable.

Christina Lomas

REPORT I

Kilsby Parish Council Annual Meeting – 21 May 2019

Kilsby School Association update

As a registered charity our Annual May Fayre on 19th May was our biggest fundraiser of the year and every penny we raised goes towards supporting the school at the heart of our village community.

Our thanks go to the residents of Kilsby and the families and friends of the school for their kind support, both in attendance at the Fayre, and for the generous contributions and donations that have helped us to put on the event and the range of stalls.

We were very grateful to our headline sponsors Richborough Estates for their sponsorship of the event. And we would also like to thank all the businesses and friends of the school that supported the Grand Draw by providing prizes.

The biggest thanks go to the school and all the staff and children for their time and enthusiasm and the fantastic performances, and thanks to all the staff and KSA volunteers who helped set up and run the event.

We are grateful to the Parish Council for supporting our sponsorship initiative with a local estate agent, and with better timing we hope to deliver this next year.

We continue to diversify our fundraising activities and have been very pleased to partner with both Danetre Rotary (on its Santa Walk) and the forthcoming NGS Open Gardens.

Like all community groups, many hands make light work, and we are therefore always grateful of assistance, donations and support.

James Carpenter

Chair of Kilsby School Association

To find out more about the work of the Kilsby School Association, and discover how you can get involved, please do contact us by email at kilsbysa@gmail.com, on the phone at 07939 482 781 or visit: <https://www.kilsbyprimary.net/community/k-s-a>

REPORT J

Kilsby Village Community Shop Trish Brown - Manager gave a very positive review of the village Community shop and the lovely range of food they stock and have been sampling some products recently at local events such as the KSA May Fayre, including advertising. They have an extensive range of products covering almost everything and if you don't see it let them know and they will endeavour get it in. The shop also has fresh artisan breads from John Dwyer's as well also other delicious locally sourced produce such as sausages and honey. They are introducing a range of fresh sandwiches for lunch. They would like shop signage around the village and have been looking into seeing if this is permitted and have also asked the Parish Council. The shop has 30 volunteers and their AGM is 14th June, 2019.
