	CONTRACTS Motion: Confidential Items. For the following items 9.1 the meeting will be asked to resolve that the public and press be excluded from the meeting in accordance with the Public Bodies (Admission to Meetings) Act 1960, in view of the confidential nature of the business to be transacted, i.e. contracts.			
10.1	CEMETERY It was noted the Clerk (acting Burials Officer) has progressed the contract and arrangements for Daventry Town Council to commence the Burial Officer duties and we are awaiting an update. Handover scheduled second week of September with contract details and costs to be finalised/published. The Clerk advised the general and green waste is no longer under the remit of household collections FOC at the Cemetery by DDC due to being notified of change of rules. The Clerk has contacted Daventry Norse who mow the Cemetery and are already DDC refuse contractors for a commercial waste collection quote. The Council have RESOLVED to approve seeking of such costs from Norse.			
10.2	VILLAGE MAINTENANCE It has been identified that the mowing contractor Daventry Norse Ltd offers a range of additional village maintenance services which compasses areas around the village where the contractor currently cuts grass and project work is required. For possible ease of use could be determined as part of their remit. In interests of potential value for money and services offered to the village it was RESOLVED the Council would extend the mowing contract to include village maintenance provision (projects in the budget) for 2020/2021 to the value of £22.5K (additional £7.5K) to encompass mowing, village maintenance and improvements. This could include work to Butts Lane, Urban Meadow and the Cemetery. This will not prevent the Council deciding to seek alternative quotes should they wish but to avoid desegregation of contracts from one supplier and use them for this work.			
10.3	STAFFING Staffing matters and maternity 1. The Clerk requested maternity leave date with last working date of 30 th September, 2020. (To note the Staffing Committee members were advised of the pregnancy on 17 th August to which the Chairman advised of finding a temporary replacement on 18 th August, 2020. The Chairman had offered that the Clerk could take maternity leave earlier than she had planned should it be to the benefit to her condition during pregnancy.) with encouragement to take maternity leave early, if the clerk wishes. The Chairman congratulated the Clerk on behalf of the Council. The Clerk recommended the following to allow the Council to prepare for appointment of temporary Clerk: To approve the appointment of a temporary Clerk/RFO to cover maternity leave and duration of temporary contract. To consider employment basis or contractor terms and conditions to be verified Handover period and process to be confirmed Confirmation of authorising additional Clerk/RFO to be added to Unity Bank process for new temp appointment and considerations for how they will manage the PAYE process and postal address, phone and correspondence arrangements. To note Clerk is currently submitting CiLCA portfolio for marking however this has proved difficult due to August workload Council were to allow time for CiLCA rather than PC duties and this has not happened. Chairman advised. Annual appraisal still to be completed. 2. The Chairman proposed that the Council approve the engagement of a Human Resources advisor, so that the council might have expert advice on Employment Law and the requirements contained therein. The estimated cost for this is calculated at £1,500 + VAT for 20 hrs work. The Council RESOLVED to approve this appointment. It was noted the Annual Leave (LOCAL GOVERNMENT SERVICES' PAY AGREEMENT 2020-21) The minimum paid annual leave entitlement is twenty-two days with a further three days after five years of continuous service. The entitlement as expressed applies to five day working patterns. For alternative working patterns an equivalent leave entitlement should be calculated.

	<p>contractors in light of upcoming budget preparations and to explain our position on receiving income from advertising under PC's duties and responsibilities. A payment break to companies who advertise was provided (not by the PC) during lockdown but it would ordinarily be a PC decision on finances. It was RESOLVED to keep the Chairman and Cllr Thompson updated and the Chairman is willing to help support the income and advertising matters under roles and responsibilities. This is in support of the budget and expenditure of the PC, reviewing income to cover such expenditure and to ensure the administration is managed by the PC. Clerk suggests possible agreement or emergency plan to be created as solution between parties to help cover these matters and it is recognised that that the group are hardworking volunteers who are fully appreciated.</p>
